Time to Shred

This class combines cardio, strength training, and body weights work using different styles of timing work. Work at your own level while increasing your strength and endurance.

Pure Strength and Cardio

A serious weight training workout that will help you build strength, add definition, increase bone density, and decrease body fat, with some cardio in between. No muscle gets neglected!

H.E.A.T (high energy athletic training)

This class is a high intensity workout which incorporates cardio, plyometric, as well as strength training. Individuals work through timed events at their own pace so the class can absolutely be tailored to all fitness levels. HIIT workouts such as this allow the body to continue burning calories throughout the day!! Give it a try

CYCLONE

High intensity interval training involving a bike, weighted exercises, as well as body weight movements. You will keep your heart rate up as you cycle through 4 mins on the bike followed by 6 mins of floor activity.. Please wear regular sneakers for this class and be prepared to sweat!!

HIIT THE STEP

(High, Intensity, Interval, Training, STEP)

An upbeat class mixing cardio and muscle conditioning and easy to follow movement, this class is meant for all levels of fitness with modification.

BARRE- if Based classes use a combination of postures inspired by ballet and other disciplines like yoga and Pilates. The barre is used as a prop

to balance while doing exercises that focus on isometric strength training (holding your body still while you contract a specific set of muscles) combined with high reps of small range-of-motion movements. “Don’t be surprised your class incorporates light handheld weights to bring the burn during all those reps, as well as mats for targeted core

KICKBOX EXPLOSION-

This is a high energy, moderate to high impact cardio conditioning workout, using authentic martial arts and boxing moves. This workout melts away body fat and builds a lean defined look. Last section of Kick class includes highly effective core conditioning exercises that will get you shredded! Kick, punch and strike your way to superior cardio fitness!

TABATA TRAINING- One of the most popular forms of high intensity interval training. This consists of eight rounds or ultra-intensity exercises in specific 20 seconds on, 10 seconds off intervals. Get in quick shape with this dynamic workout!

STUDIO CYCLE

This ride provides the outdoor experience indoors. Your instructor will guide you through various types of terrains, utilizing gear and speed levels, all set to motivating music, and visualization cues. Total cardio workout that torches calories and burns fat. Studio cycle and tone

BODY CHIESEL

A Complete Full body strength training workout that creates lean muscle mass and burns body fat. 100 percent pure strength conditioning

only. Lean muscle mass increases your metabolism, which is the rate at which you burn fat!! No cardio, only pure strength. All levels will enjoy this class.

INTERVAL CIRCUIT-

A mixture of functional strength, body weight exercises and cardio drills and exercises will push you outside your comfort zone. Excellent, doable challenge, Result driven body

ZUMBA® (All levels)

Zumba Fitness® is a Latin-inspired dance fitness program that blends red-hot international music and contagious dance steps to form a “fitness-party” atmosphere that is fun and addicting workout.

KETTLEBELL BODY-

Cardio drills and cast iron bells are combined to burn fat, build muscle, and increase your cardio capacity. Kettlebells are used to develop strength with flexibility for maximum fat burning and muscular endurance to allow for maximum results in shorter time.

STUDIO CYCLE and TONE-

Step into the best of both worlds! This class fuses timed patterns of high repetition strength training with upbeat cardio CYCLE drills and skills. A great full-body workout that will leave you dripping and wanting more! No experience is required!
